## **General Information**

There will be spots available for all age groups. Existing teams will be looking to fill open spots and we will be forming new teams at each age group.

The pre-registration fee for tryouts will be \$45.00.

The AAU season begins in March and continues into June. There is a fee associated with playing for Lightning if you are selected for a team. That fee varies depending on the team for which you are selected (in general fees could range from \$475 to \$850 depending on the schedule and other factors). AAU is for a player who wants to improve their skill level and one day aspires to play at the high school college level. Practices are held once or twice each week beginning in mid-March. Games are played only on weekends at the Hardscrabble Club or various sites throughout Westchester/Putnam and the New York Metropolitan area and on occasion out of the area (generally for the older teams).
